2024 A Year in Review

As we reflect on the year 2024, we're filled with gratitude for the incredible journey we've shared. This year was full of change, community spirit, and unwavering support. Here's a look back at the highlights that defined our year:

- We welcomed a new Director of Operations, Corey Mai; and said farewell to our long-time Executive Director, Maris Sturtevant.
- Our Rapid Re-Housing Program was revived after being dormant for many years and we have already housed multiple people.
- The new kitchen was finally completed and is currently being used to feed Shelter guests on a nightly basis.

Thank you for being a part of the We Care Program. Your support, time, and generosity make a profound difference in the lives of many. Here's to another year of hope, growth, and making a positive impact in Turlock.

Rapid Rehousing Program

After several years of inactivity Rapid Rehousing was started back up. Our Housing Case Manager, Michelle Holsapple, has worked extremely hard to house individuals from our shelter. Since August she has housed three gentlemen. Wesley (pictured above) was housed just a few days before Christmas. All three gentlemen used the Shelter for temporary support while they obtained employment and got on their feet. We are so proud of all of them.
