Kitchen Construction Update

This month marks the beginning of construction for the new kitchen. As of April 20th, the construction company has started the framework for the pouring of the foundation for the building. It will be wonderful for We Care to have the shelter and dining hall/kitchen on the same piece of property again. We are looking forward to all the meal preparers being able to cook on site again if they choose.

Thanks to All Who Participated

On April 25th, a resource fair was held at the USF and We Care campuses. It was USF's food box day and they had Community Health Centers of America's mobile health clinic available. We Care provided space for DRAIL (disabilities services & medical equipment), CSA (food stamps & Medi-cal), Catholic Charities (payee services), and the HAT team from Turning Point to complete

VI-

SPDAT assessments on the homeless to add them into the Coordinated Entry System so they would be on the housing list for the whole county.

Eagle Scout Volunteers THANK YOU

We would like to express our gratitude to Boy Scout Troop 451 for the work they did on the construction of a new intake desk for the emergency shelter. Debbie our shelter manager and staff are so excited to have an intake desk with wheels. This will make their job so much easier.
