

MONTHLY NEWSLETTER

Dear Friends,

As we reflect on the work of the **We Care Program – Turlock**, I am filled with gratitude for your support. This mission is only possible because of the compassion and commitment of our donors and volunteers.

Because of you, our neighbors experiencing homelessness are met with safety, dignity, and a path to stability. Your support, whether through donations, time, or advocacy, allowed us to survive a challenging 2025 and we are continuing to provide essential emergency shelter and housing assistance.

Looking ahead, I am excited to celebrate We Care’s **25th anniversary this July**. We look forward to honoring this milestone with the community that built it.

On behalf of our staff and those we serve, thank you for walking alongside us. We are honored to do this work with you.

With sincere appreciation,
Corey Mai - Executive Director

Rapid Rehousing Success & Community Needs

We Care is grateful to share that we were awarded a two-year Federal Emergency Solutions Grant (ESG) to support our Rapid Rehousing program. This funding allows us to help individuals experiencing homelessness move into permanent housing and begin rebuilding their lives. In January, our Case Manager successfully housed Timothy, who had been experiencing homelessness for many years. Rebecca also helped Edward and his teenage son secure a place to call home. These moments

represent more than just housing—they are fresh starts. As these individuals begin again, they are starting from scratch and are in need of basic household items to make their houses feel like home. Current needs include bath towels and rugs, kitchen utensils, plates, cups, pots, pans, baking sheets, cleaning supplies, and other essential household items.

Thank you for helping us turn housing into homes and hope into stability.
