## Rapid Rehousing Program

We're thrilled to announce that in January & February, we successfully housed two new individuals through our Rapid Rehousing Program! Colette and Edward were both previously staying at Turlock Gospel Mission.

A huge thank you to our dedicated team and supporters who make this work possible. Every step toward housing stability is a step toward change, and we are committed to continuing this important mission.

### THANK YOU !

We also want to thank everyone who has donated items to those we have housed. It means so much to us and them.

## Dear Volunteers,

We cannot thank you enough for the time, effort, and compassion you bring to our shelter. Your dedication ensures that those in need receive not only food and a safe place to stay but also kindness, dignity, and a sense of belonging. The impact that you make is immeasurable, whether through a warm meal, a listening ear, or simply a friendly smile, you provide comfort and hope to so many. We know that volunteering takes time and energy, and we deeply appreciate your commitment to serving our community. We Care would not be the same without you, and we are incredibly grateful to have such an amazing team of volunteers standing with us on this journey.
