A look into what's been happening at We Care

Exciting things have been happening at We Care since our last newsletter.

After three years, our kitchen is finally complete. On October 21, we were able to begin welcoming in volunteers. Our guests were so

excited to finally have dinner in such a beautiful space. It has made things at the Shelter run so much more smoothly since all We Care activities are on one property. We are so appreciative to United Samaritans for making all the upgrades to the We Care Shelter and kitchen.

In August and October, we were able to house two gentlemen from our shelter. Both men maintained full time employment and worked with our case manager to create a budget and apply for an apartment. We Care assisted with all move-in costs and setting up utilities. This was

made possible with our Rapid Rehousing program. Over the course of three months, we gradually reduced our assistance, helping them work toward independence.

We Care also obtained another Affordable Housing complex from The City of Turlock. This created housing for four low-income families in the community.

On October 31, Maris Sturtevant officially retired from We Care. Maris served the impoverished in our community for over 30 years and is loved by many. We are so sad to see her go but so thankful for all the wisdom she has shared with us and wish her all the best on her next adventure.

We will be hosting an Open House on Friday, November 22 from 3:30 pm - 5:30 pm. We are excited to share all the wonderful things we do at We Care and take the opportunity to honor Maris. We encourage everyone in the community to come check us out. Hors d'oeuvres and refreshments will be provided. We will also be hosting a silent auction. We hope to see you there.

We would also like to take this opportunity to thank all our donors and volunteers. Your generosity means so much to us. Our dinner calendar has been filling up and we have so many new faces. Thank you from the bottom of our hearts.
