The Power of Community

Through lost funding and staff changes, the We Care Program is still standing strong. We want to take this opportunity to thank all of those who have supported us along the way - our volunteers, our advocates and every person who showed up to city council to speak on behalf of our most vulnerable neighbors. Your dedication reminds us why we do this work; it is because of you that We Care continues to move forward. We also want to acknowledge our staff - the boots on the ground - who show up day after day, committed to being part of the change. We have heard the concerns of our community and are committed to greater transparency. We want our community to know that we are here not just as a program, but as a true partner. We want to assure you that we are still here, working tirelessly behind the scenes to come back stronger than ever.

Preparing for Winter

As the cold weather approaches, many of the men in our shelter are facing the season without the basics needed to stay warm. A coat, gloves, or even a simple pair of socks can mean the difference between comfort and hardship during the winter months.

We Care is working to stock our clothes closet with warm clothing so that these men can face the season with dignity and protection from the cold. Right now, we are especially in need of winter coats, sweaters, thermal wear, socks, hats and gloves. Both new and gently used items are welcome, and every donation will go directly to those who need them most.

Your generosity has always been the heartbeat of this program, and we are once again asking for your help. Items can be dropped off at 219 S. Broadway each night after 5pm or during the day by appointment only. Call Corey at (209) 620-1032, to make arrangements. Together, we can make sure no one in our community is left out in the cold weather.

Upcoming News & Events

We Care is excited to announce that we will be hosting an Open House soon! This will be a wonderful opportunity to learn more about our program, meet our team, and see how we are making an impact in the community. Details will be shared on our website and social media as the date approaches.
